In Godan, two worlds exist side by side, occasionally touching one another. This is Premchand s last complete novel.

'Godan' is an epic in Hindi prose. It is the most famous work of Munshi Premchand. 'Godan' gives a vivid picture of the condition of Indian farmers during the author's lifetime. The novel is relevant today because the rural folks' problems still exist. Farmers have generally been exploited by money-lenders, government officials and superstitious community members. Hori, a well-off cultivator, suffers for his dependence on these exploiters. He works very hard, grows various crops, yet starves with his family because almost all his crops are given away to clear the creditor' dues. He efforts to protect his family dignity but fails because he was continuously exploited.
